

Gleditsia triacanthos 'Suncole' (Zone 4)
Sunburst Honeylocust

The new growth foliage of this variety is always bright yellow which provides an attractive contrast to the darker yellow green interior foliage. Seedless and thornless.

Height: 40' **Spread:** 35' • **Shape:** Irregular, rectangular
Foliage: Bright yellow tips against lime green • **Fall Color:** Yellow

Gymnocladus (*Kentucky Coffeetree*)

Gymnocladus dioicus (Zone 4-8)
Kentucky Coffeetree

This tree has a bold outline, especially in winter with deeply furrowed bark and stout branches.

Height: 60' **Spread:** 40'-50' • **Shape:** Open, spreading
Foliage: Bluish-green • **Fall Color:** Yellow

Halesia (*Silverbell*)

Halesia carolina (Zone 5)
Carolina Silverbell

Graceful, refined small trees with delicate, white, bell-shaped flowers in spring. Foliage is exceptionally pest free. Furrowed bark is quite handsome as it ages.

Height: 35' **Spread:** 27' • **Shape:** Broad, rounded
Foliage: Dark yellowish-green • **Fall Color:** Yellow to yellow green

Halesia carolina - Multi-stem
Multi-Stem Carolina Silverbell

Hydrangea

Hydrangea paniculata 'Grandiflora' (Zone 4)
Pee Gee Hydrangea Tree

A showy tree trained to a single stem with a head formed at 3'. Blooms in July and August with large conical white flowers that change to pink bronze in autumn.

Height: 6'-8' **Spread:** 8'-10' • **Shape:** Rounded
Foliage: Dark green • **Flowers:** Large white, turning pink

Hydrangea paniculata 'Tardiva' (Zone 3-8)
Tardiva Hydrangea Tree

Small, spreading tree with lovely clusters of white flowers that turn to purplish pink flowers in late July or August.

Height: 15-25' • **Shape:** Rounded • **Foliage:** Dark green
Flowers: Purplish pink • **Fall Color:** Greenish-yellow

Ilex (*Holly*)

Ilex x attenuata 'Foster No. 2' (Zone 6)
Foster Holly

Excellent tight pyramidal American Holly.

Height: 20' **Spread:** 8' • **Shape:** Pyramidal
Foliage: Dark green, glossy

Ilex x 'Greenleaf' (Zone 6)
Greenleaf American Holly

Leaves are medium to dark green and spiny. Excellent pyramidal habit of growth.

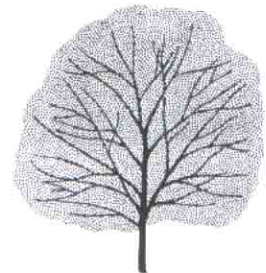

Height: 25' **Spread:** 10' • **Shape:** Pyramidal
Foliage: Medium to dark green • **Fruit:** Red berries

Koelreuteria (*Goldenrain*)

Koelreuteria paniculata (Zone 5)
Goldenrain Tree

Impressive in mid-summer when it is covered with foot long clusters of bright yellow flowers.

Height: 30' **Spread:** 30' • **Shape:** Rounded
Foliage: Medium green • **Fall Color:** Yellow
Flower: Bright yellow clusters

Koelreuteria paniculata
Multi-Stem Goldenrain Tree
